Proposed complete record data fields to be captured for collisions occurring in 2002 and forward

Collision Level

Report Number
**Case Number
**Local Agency Coding
*State Route Location (WSDOT Region, State Route Number, related roadway type and qualifier, and State Route Milepost)
*Prefix 1 (HOV lane indicator, construction zone, etc.)
*State Route Additional Identifier
*Diagram Analysis Data
*Cross Road Name and Class
**City Street or County Road Location (Primary and intersecting city street name or county road number and milepost, city block number, distance and direction from reference point)
Date and Time of Collision
Rural/Urban
State Functional Classification
Federal Functional Classification
Fire Resulted Indicator
Stolen Vehicle Indicator
Hit & Run Indicator
Number of Motor Vehicles Involved
Number of Pedestrians Involved
Number of Pedalcyclists Involved
Number of Injuries Involved
Number of Fatalities Involved
Accident Severity
Collision Type
Object Struck
Junction Relationship

Light Conditions
Work Zone Status
Location Character
Roadway Character
Hazardous Materials Indicator
Intentional Action Indicator
Medically Caused Indicator
Closed Public Trafficway Indicator
Legal Intervention Indicator
Time Police Dispatched
Time Police Arrived

Vehicle Level

Traffic Control
Posted Speed
Roadway Surface Type
Vehicle Commercial Classification
Vehicle Type

Vehicle Usage
Vehicle Identification Number (Vehicle Year, Make, Model and Style to be derived from VIN)
Vehicle Registration (State or Province of Origin)
Vehicle Liability Insurance Indicator
Vehicle Legally Standing Indicator
Contributing Circumstances
Vehicle Actions
Vehicle Condition Codes
Vehicle Direction of Movement
Driver Miscellaneous Actions
Driver's Sobriety
Alcohol Test Results
DRE Assessment
Sequence of Events
Driver's Last Name, First Name and Middle Initial
Driver's License Number and State
Driver/Passenger Airbag Status
Driver/Passenger Restraint Use
Driver/Passenger Ejection
Driver/Passenger Helmet Use
Driver/Passenger Injury Class
Driver/Passenger Age
Driver/Passenger Gender
Citation Indicator
On Duty Officer Indicator
Property Owner Name
Commercial Carrier Interstate Indicator
Commercial Carrier USDOT Number
Commercial Carrier Configuration
Commercial Carrier Cargo Body
Commercial Carrier Name
Commercial Carrier Name Source
Commercial Carrier Address
Commercial Carrier Number of Axles
Commercial Carrier GVWR
Commercial Carrier HazMat Placard Number

Pedestrian/Pedalcyclist Level

Last Name, First Name and Middle Initial
Type of Roadway/Crosswalk Used
Clothing Visibility
Actions
Contributing Circumstances
Sobriety
Alcohol Test Results
DRE Assessment
Type of Pedestrian/Pedalcyclist
Helmet Use
Injury Class
Age
Gender

*Applies to State Highway collisions only
**Applies to city street or county road collisions only

Each record will contain a last update date field
